

Shi Xiaoxue (English name: **Lois**) holds a bachelor's degree in International Economics and Trade, and a Master's in Sociology. She describes herself as having a satisfying job, an adorable daughter and a considerate, gentle husband. Reading is her hobby, and she translates foreign texts into Chinese as part of her ongoing concern to improve communication between different cultures. She is deeply interested in literature, history and current affairs. Lois is co-translating **Our Woman in Jamaica** into Chinese.
